

## Symmetry

Brett Anderson

So you're back again  
Here within my range  
Sweet as vanilla, you're  
Cold as Canada

Painting those lips  
Holding those hips  
Dialing my number  
With your fingertips

Taking that risk  
Painting those lips  
Dialing my number  
With your fingertips

So you're back again  
Eyes full of endless rage  
Sweet as a melody  
Cold as symmetry

Painting those lips  
Taking that risk  
Dialing my number  
With your fingertips

Holding those hips  
Painting those lips  
Dialing my number  
With your fingertips

So you're back again
