

Careful What You Wish For

Brett Dennen

Careful what you wish for
You don't know who you're talking to
Careful what you wish for
You don't know who you're talking to
I may be your guardian angel
I may be the devil too

You've been asking for a favor, I know
Acting pure like you're a quaker, uh huh
I got a little more self respect, mm hm
You're just gonna have to get

Careful what you wish for
You don't know who you're talking to
Careful what you wish for
You don't know who you're talking to
I may be your guardian angel
I may be the devil too

Took me a while but finally I
Figured out what you're about
I been working on myself
And I can go, go without
Tell you I got tenacity, uh huh
You're just gonna have to be

Careful what you wish for
You don't know who you're talking to
Careful what you wish for
You don't know who you're talking to
I may be your guardian angel
I may be the devil too, ooh-woohoo

Careful what you wish for, wish for
Careful what you wish for, wish for
Careful what you wish for, wish for
You don't know what I can do
