

# Chipping Away

Brett Dennen

Oh yeah

Oh yeah

Mmmmm

Mmm

Chipping away

Chipping away

Chip chip chipping away

Chipping away yeah

Chip chip chipping away

Chipping away

I thought by now things would change

Still chipping away

I could walk the cobble streets of Rome

I could stand on top of Yellowstone

But I can't help sinking

Into negative thinking, yeah

Chip chip chipping away

Chipping away yeah

Chip chip chipping away

Chipping away

I thought by now things would change

Still chipping away

Ah yeah

I can step across the great divide

Stand with one foot on either side

But I'm always running

From something, yeah

Chip chip chipping away

Chipping away yeah

Chip chip chipping away

Chipping away

Said I'm chipping and I'm chipping and I'm chipping away

I'm chipping and I'm chipping away

Said I'm chipping and I'm chipping and I'm chipping away

I'm chipping and I'm chipping away

A-B-C-D-E-F-gee I'd really love

To H-I-J-K-elevate and rise above

1 and 2 and 3 and for another day

I'll just keep chip chip chipping away

A-B-C-D-E-F-gee I'd really love

To H-I-J-K-elevate and rise above

1 and 2 and 3 and for another day

I'll just keep chip chip chipping away

Chip chip chipping away

Chipping away yeah

Chip chip chipping away

Chipping away

A-B-C-D-E-F-gee I'd really love  
To H-I-J-K-elevate and rise above  
1 and 2 and 3 and for another day  
I'll just keep chip chip chipping away

A-B-C-D-E-F-gee I'd really love
