

Where We Left Off

Brett Dennen

Everyone knows I'm a happy man
But I haven't been great
I sit all alone painting pictures
That don't turn out how I like

In a room full of quite
With a head full of thoughts
If you're looking for me
I'll be where we left off

Everyone knows I'm a silly man
I love hearing your laugh
If I've been cruel
It's because I'm insecure
And just can't lose my grasp

I'm so in love with you
I don't wanna stop
If you're looking for me
I'll be where we left off

Silver morning on the shore
You wear your yellow coat and white pants
The horizon was lost

Everyone's hoping that love can fix
Their brokenness
So many times I couldn't help feel
Like I was helpless

There's no one inside
No stars to cross
If you're looking for me
I'll be where we left off
