

Forget About You

Brett Eldredge

I quit driving by your house just to see our shadows
Trying not to think about the days you kissed me in that meadow
Along a stretch of wildflowers I used to pick and put up in your hair

And I shut out your pretty smile sipping on a matcha
I gave away the diamond ring I saved up for and bought you
I kissed somebody else just to prove to myself that I don't care

But no matter what I say
Oh, no matter what I do
I'll never forget about you

And that bottle I was saving up there on the second shelf
I wasn't gonna drink it with anybody else
But here I am at 2 a.m. polishing it off all by myself

'Cause no matter what I say
And no matter what I do
I'll never forget about you

And days go by and still I try
Moving on from your goodbye

But no matter what I say
And no matter what I do
I'll never forget about
'Cause no matter what I say
And no matter what I do
I'll never forget about you

'Bout you
I'll never forget about you
