Good Day

Brett Eldredge

I think I'll start my mornin' with Sinatra
And let those Blue Eyes speak to me
Skip all the things that I don't want to
And let my mind wander free
This forty too cold and raining
And something's got me thinkin' maybe

It's gonna be a good day
I don't know why but it feels like
Love's comin' my way
And the sun ain't even shinin'
If the world gonna keep on spinnin'
Let it keep spinnin' on my way
I got a feelin'
It's gonna be a good day

Look at the leaves and how they turnin'
Just like this smile here on my face
Life is a song that I'm still learnin'
And I ain't hear the music fallin' right into place

It's gonna be a good day
I don't know why but it feels like
Love's comin' my way
And the sun ain't even shinin'
And if the world gonna keep on spinnin'
Let it keep spinnin' on my way
I got a feelin'
It's gonna be a good day, oh

Well, maybe it's the thought that love
Is right around the corner, I don't know
I don't really need a reason
When I got this happy feelin' in my soul, oh

It's gonna be a good day
It's gonna be a good day
And if the world gonna keep on spinnin'
Let it keep spinnin' on my way
I got a feelin'
It's gonna be a good day

It's gonna be a good day, woah
Oh, oh
Yeah
It's gonna be
Mmm, good day
