

When The Party's Over

Brett Eldredge

And don't you know I'm no good for you?
I've learned to lose, you can't afford to
Tore my shirt to stop you bleedin'
But nothin' ever stops you leaving

Quiet when I'm comin' home and I'm on my own
I could lie and say I like it like that, like it like that
I could lie and say I like it like that, like it like that

Don't you know too much already?
I'll only hurt you if you let me
Call me friend, but keep me closer
And I'll call you when the party's over

Quiet when I'm comin' home and I'm on my own
I could lie and say I like it like that, like it like that
I could lie and say I like it like that, like it like that

Oh, but nothing is better sometime
Once we both said our goodbyes
Let's just let this go
Let me let you go

Quiet when I'm comin' home and I'm on my own
And I could lie and say I like it like that, like it like that
I could lie and say I like it like that, like it like that
