

# All I Ever Wanted

Brett Kissel

That truck - with the big tires and the stereo  
That could shake the whole town, yeah  
That catch - on fourth and goal in the end zone  
As time runs out, yeah  
That's all I ever wanted - til all I ever wanted... was...

Blue eyes right next to me  
With her feet on the dashboard tapping' a beat  
Stealing all the covers in a Cali-King yeah  
Everything coming off of her lips  
From her name - to a kiss - to that down home accent  
Tellin' Mama she's the one for me, yeah  
I thought I had it all but  
I didn't have a clue  
I had all I ever wanted - til all I ever wanted... was... you...

Big house - with a front porch -  
And a back yard that goes for days, yeah  
New boots and boat - all the bells and whistles  
More than a little money in the bank, yeah

That's all I ever wanted - til all I ever wanted... was...

Blue eyes right next to me  
With her feet on the dashboard tapping' a beat  
Stealing all the covers in a Cali-King yeah  
Everything coming off of her lips  
From her name - to a kiss - to that down home accent  
Tellin' Mama she's the one for me, yeah  
I thought I had it all but  
I didn't have a clue  
I had all I ever wanted - til all I ever wanted... was... you...

That truck - that kiss  
That boat - that catch  
That house - that yard  
That's all I ever wanted...  
Til all I ever wanted was...

Blue eyes right next to me  
With her feet on the dashboard tapping' a beat  
Stealing all the covers in a Cali-King yeah  
Everything coming off of her lips  
From her name - to a kiss - to that down home accent  
Tellin' Mama she's the one for me, yeah  
I thought I had it all but  
I didn't have a clue  
I had all I ever wanted - til all I ever wanted... was... you...
