

Frosty The Snowman

Brett Kissel

Frosty the snowman was a jolly happy soul
With a corncob pipe and a button nose
And two eyes made out of coal
Frosty the snowman was a fairy tale, they say
He was made of snow, but the children know
How he came to life one day

There must have been some magic in
The old silk hat they found
For when they placed it on his head
He began to dance around
Frosty the snowman was alive as he could be
And the children say, he could laugh and play
Just the same as you and me

Frosty the snowman knew the sun was hot that day
So he said, let's run, and we'll have some fun
Now before I melt away
Down to the village with a broomstick in his hand
Running here and there all around the square
Saying, catch me if you can

He led them down the streets of town
Right to the traffic cop
But he only paused a moment
When he heard him holler, stop

Frosty the snowman had to hurry on his way
But he waved goodbye, saying, don't you cry
I'll be back again someday

There must have been some magic in
The old silk hat they found
For when they placed it on his head
He began to dance around

Frosty the snowman had to hurry on his way
But he waved goodbye, saying, don't you cry
I'll be back again someday

Thumpety thump thump
Thumpety thump thump
Look at Frosty go
Thumpety thump thump
Thumpety thump thump
Over the hills of snow
