

She Drives Me Crazy

Brett Kissel

She walks in like a ten
Looking knockout
Turning heads, drop me dead
Spinning right round

She's more than messin' with my mind
She's that tiger kinda wild
Got the devil in her eyes

She's got that body that I crave
I can't help but misbehave
It's the way she looks tonight
She drives me cra-a-a-a-azy
She drives me cra-a-a-a
She drives me crazy

She drives me crazy
A-a-a-azy
She drives me crazy

She's sways her hips, midnight kiss
Taste tequila
Neon glow, hold me close
God, I need her

She's more than messin' with my soul
Got that Marilyn Monroe
I can't help but lose control
She drives me cra-a-a-a-azy
She drives me cra-a-a-a-azy
She drives me crazy

She drives me crazy
A-a-a-a-zy
She drives me crazy

Yeah, that girl takes up all of my time
I spend every dollar, I spend every dime
She stole my heart and took over my mind
It's loco, game over, she drives me crazy

Yeah, she drives me
Yeah, she drives me crazy, crazy

She walks in like a ten
Looking knockout
Turning heads, drop me dead
She drives me cra-a-a-a-azy
(Crazy, crazy)
She drives me cra-a-a-a-azy
(Crazy, crazy, crazy)
She drives me crazy
