

# Define Me

Brett Young

How does it feel to know  
That I can't get you off my mind  
Oh I can try  
But you get inside my head  
And I would be just fine if I knew  
What I was to you

Am I forgettable?  
Is mine the name that ties your tongue  
Or am I memorable?  
Is there a chance I can be the one  
Have I changed anything?  
Is there a place you keep from me  
What have I become to you?  
Define me, define me

What am I supposed to do?  
I'm scared of reaching out to you  
To have you pull away  
I'm not afraid of letting go  
It would sure be nice to know  
The right kind of place

Am I forgettable?  
Is mine the name that ties your tongue  
Or am I memorable?  
Is there a chance I can be the one  
Have I changed anything?  
Is there a place you keep from me  
What have I become to you?  
Define me, define me

And I've, I've waited every patiently  
And I, I've come up with a few simple things that you  
Can say to reassure me that your mine  
One last time

Am I forgettable?  
Is mine the name that ties your tongue  
Or am I memorable?  
Is there a chance I can be the one  
Have I changed anything?  
Is there a place you keep from me  
What have I become to you?  
Define me, oh baby,  
Am I forgettable?  
Is mine the name that ties your tongue  
Or am I memorable?  
Is there a chance I can be the one  
Have I changed anything?  
Is there a place you keep from me  
What have I become to you?  
Define me, define me
