

Rise Up (Easy Rider)

Brewer & Shipley

Rise up easy rider
Will you make the Parish line
The Louisiana farmer wants to blow away your mind
Free and easy rider
Drivin' circles round the sun
Can you learn to live with freedom
And to fear the lawman's gun
Easy rider, ride, ride, ride, ride, ride, ride, ride, ride
Keep on ridin' on, on
Keep on ridin' on
Keep on ridin' on
Keep on ridin' on
Turn and flee outsider
The wings of hatred spread
It takes a God to make man live
And a bullet makes him dead
Ride, ride, ride, ride, ride, ride
Rise up easy rider, rider
God shed His grace on thee
Ride, ride, ride, ride, ride, ride
And crown thy good with brotherhood
From see to shining sea
Ride, ride, ride, ride, ride, ride
Rise up easy rider
Will you make the Parish line
Ride, ride, ride, ride, ride
The Louisiana farmer wants to blow away your mind
Ride, ride, ride, ride, ride, ride
Ride, ride, ride, ride, ride, ride
