

Can I Count The Ways

Brian Doerksen

Can I count the ways I love you
Oh I'm not so sure I can
Cause the number keeps on climbing
There's so many things about you
Like the way you hold my hand
You're the reason that I'm smiling

Oh, every time I see you, I fall in love
And oh, just to be beside you is enough
And oh, every time I hold you in my arms
I am home

Could I measure how you love me
Oh I'm not so sure I can
It would rise up like a mountain
There's so many ways you've helped me
You are always by my side
I'm so grateful for each moment

Oh, every time I see you, I fall in love
And oh, just to be beside you is enough
And oh, every time I hold you in my arms
I am home

Every little thing about you
Makes me the lucky one
To live within this love
Oh, every little thing about you
Inspires songs like this
I'm grateful to have lived with you, with you

Can I count the ways I love you
Now I know for sure I can't
Cause the number keeps on climbing
