

## Child Of Forgiveness

Brian Doerksen

The children of the world are waiting  
To hear the song  
Of the love that is never ending  
Pure and strong

All of us are children at heart, we long to be loved as we are  
Every language, every heartbeat singing out

I am a child of forgiveness  
Of joy and of riches  
Of all His mercy I sing

Children of the world are dancing  
Singing songs of joy  
For the Father loves to pour his mercy  
On every girl and boy

All of us are children at heart, we long to be loved as we are  
Every language, every heartbeat singing out

I am a child of forgiveness  
Of joy and of riches  
Of all His mercy I sing  
I am a child of forgiveness  
This song is my witness  
Over and over I sing

Children of the world are waiting...  
Children of the world are waiting...

I am a child of forgiveness  
Of joy and of riches  
Of all His mercy I sing  
I am a child of forgiveness  
This song is my witness  
Over and over I sing

I am a child of forgiveness  
Of joy and of riches  
Of all His mercy I sing  
I am a child of forgiveness  
This song is my witness  
Over and over I sing
