

# Blue Sky Inn

Brian Kelley

There's a place in my head  
It's a place in Montana  
Got sunshine like Florida  
Little Mountain Tropicana  
You don't need a reservation  
Just come on in  
There's always a room here  
At the Blue Sky Inn  
That's right

Yeah, once you make it there  
You won't ever wanna leave  
Doors always open  
You don't need no key  
Life sure ain't perfect  
But this place is  
There's a good day awaitin'  
At the Blue Sky Inn

Woah, it's just a state of mind  
Where I go to get away sometimes  
Hell, I know that when I close my eyes  
There's a margarita waiting  
Little Jimmy Buffett playing  
Lazy river I can dive right in  
I ain't checking out  
I'm checking in  
At the Blue Sky Inn

I'm checking in  
I'm checking in  
I'm checking in  
(At the Blue Sky Inn)

I'm checking in  
I'm checking in  
I'm checking in

It's kinda like church  
Way up in the clouds  
When there's trouble on Earth  
That's where I sort it all out  
When I'm missing my family  
Or missing my friends  
I know I can find 'em  
At the Blue Sky Inn

Woah, it's just a state of mind  
Where I go to get away sometimes  
Hell, I know that when I close my eyes  
There's a margarita waiting  
Little Jimmy Buffett playing  
Lazy river I can dive right in  
I ain't checking out  
I'm checking in  
At the Blue Sky Inn

Yeah, at the Blue Sky Inn

Woah, it's just a state of mind  
Where I go to get away sometimes  
Hell I know that when I close my eyes  
There's a margarita waiting  
Little Jimmy Buffett playing  
Lazy river I can dive right in  
I ain't checking out  
I'm checking in  
At the Blue Sky Inn

I'm checking in, I'm checking in, I'm checking in  
(At the Blue Sky Inn)

I'm checking in, I'm checking in, I'm checking in
