

King Ranch

Brian Kelley

It ain't new but it is to me
Crew cab, short-bed, two-tone, tan, burgundy
Boots in the back seat, gun rack, bed liner gets me everywhere
I need to be
But the best thing 'bout this ride is what's sitting way up inside

Yeah it's just a truck 'til she climbs up in it
Lookin' so dang pretty with them big tires spinnin'
My F-250 sittin' high on my huntin' land
She's lookin' like a dream in my King Ranch
Oh my my my little head turner turn a F-by-4 into a barn burner
She's my little Georgia dream I'm her man
She's the queen of my King Ranch
Queen of my King Ranch

Runnin' her hand across the brand on that dashboard leather
She wanna hear some country on the radio
She's said she wanna get some mud on the tires I might let her
Down to go wherever she wanna go

Yeah it's just a truck 'til she climbs up in it
Lookin' so dang pretty with them big tires spinnin'
My F-250 sittin' high on my huntin' land
She's lookin' like a dream in my King Ranch
Oh my my my little head turner turn a F-by-4 into a barn burner
She's my little Georgia dream I'm her man
She's the queen of my King Ranch

See the best thing about this ride is what's sittin' way up inside

Yeah it's just a truck 'til she climbs up in it
Lookin' so dang pretty with them big tires spinnin'
