

Savannah

Brian Kelley

Landlocked up in Tennessee
Wishin' I was walkin' on
That cobblestone on River Street
Just thinkin' 'bout it, I'm halfway gone
Spanish malls, hangin' low
Heard the call, man, I gotta go

Take me down to Savannah
Somewhere on the river and I'll
Show you what a happy man looks like in real life
Just put me on the War Wolfe
And I'll be doin' fine
Feelin' anything but blue with a redfish on the line

Oh, Savannah (Savannah)
Somewhere on the river

It's a good place to get lost
A good place to be found if you wanna
Unwind, untie a few tangles
See life from an east coast angle

Take me down to Savannah
Somewhere on the river and I'll
Show you what a happy man looks like in real life
Just put me on the War Wolfe
And I'll be doin' fine
Feelin' anything but blue with a redfish on the line

Oh, Savannah (Savannah)
Somewhere on the river
Pretty as a postcard picture
Sittin' here tonight, I miss her

So take me down to Savannah
Somewhere on the river and I'll
Show you what a happy man looks like in real life
Just put me on the War Wolfe
And I'll be doin' fine
Feelin' anything but blue with a redfish on the line

Oh, Savannah (Savannah)
Somewhere on the river
Pretty as a postcard picture
Sittin' here tonight, I miss her
Oh, Savannah (Savannah, Savannah)
Oh
