

# Spend Some Time There

Brian Kelley

Always heard that  
Telluride was a sight to see on a starry night  
From the top of the mountain  
I'd love to spend some time there  
Saw a spread in a magazine  
Bonefishing in the Florida Keys  
Sounds good to me, man  
I'd love to spend some time there

But if I could only get to where I'm over her  
Somewhere where the heart don't know the hurt  
A spot where her memory don't follow me  
Wanting her back's way outta reach  
Book a one-way flight, never come back  
Pack nothing that reminds me of us in the bag  
If I could only get to where I don't care  
I'd love to spend some time there

Yeah, I bet it'd be nice  
Waking up in paradise, not paralyzed  
By that 'I don't love you' look in her eyes  
I would pay any price

But if I could only get to where I'm over her  
Somewhere where the heart don't know the hurt  
A spot where her memory don't follow me  
Wanting her back's way outta reach  
Book a one-way flight, never come back  
Pack nothing that reminds me of us in the bag  
If I could only get to where I don't care  
I'd love to spend some time there

Yeah, and I'd love to spend some time on a boat  
Slow floating off the coast  
In some tropical weather  
But I bet it'd be even better

But if I could only get to where I'm over her  
Somewhere where the heart don't know the hurt  
A spot where her memory don't follow me  
Wanting her back's way outta reach  
Book a one-way flight, never come back  
Pack nothing that reminds me of us in the bag  
If I could only get to where I don't care  
(Don't care)  
I'd love to spend some time there

I'd love to spend some time there, yeah  
I'd love to spend time there  
(Love to spend some time, love to spend some time)

I'd love to spend some time there
