

A Change Is Going To Come

Brian McFadden

I was born by a river in a little tent
Oh and just like the river I've been running ever since
It's been a long, a long time coming
But I know a change is gonna come
Oh yes it will

It's been too hard living, oh my
And I'm afraid to die
'Cause I don't know what's up there
Beyond the sky
It's been a long, a long time coming
But I know a change is gonna come
Mmh, yes it will

Then I'd go, go to my brother
And I said "Brother, help me please, yeah"
But he winds up knockin' me down
I begged down, begged down
Down on my knees, oh

There've been times that I thought
Couldn't last for long
But now I think I'm able to carry on
It's been a long, long time coming
But I know a change is gonna come
Mmh, yes it will

Then I go, go to my little mother
And I said "Momma, would you help me please?"
But you wind up knockin' me down
I begged down, begged down
Down on my knees, oh

It's been a long, long time coming
But I know a change is gonna come
It's been a long, long time coming for me
A change is gonna come
I guess a change is gonna come
Change gonna come, change gonna come, change gonna come for me
yeah
Change gonna come, change gonna come, change gonna come for me
yeah

Yeah, a change is gonna come
