

Angel

Brian McFadden

Gotta find me an angel
To fly away with me
Gotta find me an angel
Ooh and set me free
My heart is without a home
I don't want to be alone
I gotta find me an angel
In my life, in my life

Too long have I loved
So unattached within
So much that I know
That I need somebody so
So I'll just go on
Hoping that I find me, someone
Gotta find me an angel in my life
In my life, in my life

I know there must be someone
Somewhere for me
I lived too long
Without the love of someone
And there's no misery (No misery)
Oh, like the misery I feel in me
Gotta find me an angel in my life
In my life, in my life
