

Security

Brian McFadden

I want security, yeah
Without it I'm at a great loss, oh
Security, yeah
And I want it at any cost, oh
C'mon

I don't want no money now
I don't want no fame
But security is all of these things
All of these, all of these things

Security, yeah
That's all I want from you, oh
Just security, yeah
And a little love that will be true, oh, yeah

Those sweet tender lips, you know they tell me
That you are the one for me
Darling, how can I forget
How can I forget, now

Oh, security is what I want right now
Your life is still right but baby
I need a little more money, honey
I can't spend your love at the grocery store
I need security, yeah
I'll tell you once again
Oh security, yeah
And I want it to the end
oh, c'mon

Those sweet tender lips, you know they tell me
That you are the one for me
Darling, how can I forget
How can I forget, now

Security is what I want right now
