

Jam Knock

Brian McKnight

[1] - Baby don't stop, let your body rock
While you listen to my jam knock
We can party all night
If you don't stop, let your body rock
While you listen to my jam knock

Friday night, after 8, smiling' face, just got paid
You know how it feels
Gotta find the party, paint the town
Pick a hootie, go get down
Then come with the real, yeah, yeah

[2] - In and out, scream and shout
This is what it's all about
Baby girl, you're the one I came to see, yeah
On the floor, more and more
Show me what you came here for, baby
Babe, come closer to me

Let's groove tonight

Don' t wanna think about tomorrow
Whatever comes what may
It's you and I here and now
Mr. DJ let the music play
Everybody's singing, everybody's swinging

Let's groove tonight

[3] - Don't stop tonight, relax your mind
And my jam will knock 'till the morning light
If it's feelin' right then take your time
And my jam will knock
I'm on this

Let's groove tonight

Now throw your hands in the air
And wave 'em like you just don't care
All the honies in the house tonight
Let me hear you say oh, yeah

If you don't stop, let your body rock
While you listen to my jam knock

Let's groove tonight
