

Livewithoutyou

Brian McKnight

Yesterday's gone, that much is true
I don't think about it but maybe I do
Think about you

I made a few mistakes
But I can't remember the last time I kissed you,
How much I miss you
I need you back in my life

I'm telling you that I can't get to sleep at all without you
I'm telling you that I can't go another day without you
I don't know what to say,
This much is true
Whatever you want I'll do
Because I don't want to live without you

I say on my Facebook that I'm doing fine
Everyone knows it, but that's just a lie
I gotta try 'cause

I made a big mistake
And I can't remember the last time I held you,
I need to smell you
I need you back in my life

I'm telling you that I can't get to sleep at all without you
I'm telling you that I can't go another day without you
I don't know what to say,
This much is true
Whatever you ask I'll do
Because I don't wanna live without you

Don't say it is over
There's some way
'Cause love will let me win
If there is half a chance girl it can never be too late
Girl nothing's the same without you

I'm telling you that I can't get to sleep at all without you
I'm telling you that I can't go another day without you
I don't know what to say,
This much is true
Whatever you ask I'll do
Because I don't wanna live
Because I don't wanna live
Because I don't wanna live
Without you
