

Never

Brian McKnight

Ooh-ooh...

Yeah, yeah, yeah, yeah

I never cared too much for love
It just wasn't what I was thinking of
I never believed in wishing on the stars
I never, ever thought that I'd be feeling like I do
I never thought that I'd ever feel this way
Seemed impossible but it's true

I'll never say never again
I'll never ignore my heart again
I thought that falling in love was for fools and crazies
I never thought love could be so amazing
I'll never say never again
'Cause we found the place where forever begins, it's true
That I never thought I'd fall till I fell

Girl I hate it every time that you go
Girl I miss you so...
And in so many ways [?] every day
Girl it grows and it grows and it grows and it grows

I'll never say never again
I'll never ignore my heart again
I thought that falling in love was for fools and crazies
I never thought love could be so amazing
I'll never say never again
'Cause we found the place where forever begins, it's true
That I never thought I'd fall till I fell
No I never thought I'd fall
I never thought I'd fall
Till I fell for you
