

The Truth

Brian Melo

Sinking into a wave
Slipping into a crack in the concrete
You've been hiding for days
No one even knows you're missing
Dreaming in your sleep
Screaming "oh oh oh oh oh oh oh-oh-oh"
You broke the heart on your sleeve
Singing "oh oh oh oh oh oh oh-oh-oh..."

You love - you feel
You need - you want
Life gets hard
That's the truth
But you'll pull through
You laugh - you cry
You look for hope
Life gets hard
That's the truth...
"oh oh oh oh oh oh oh-oh-oh"

Crashing into your scene
You can't get out from underneath
You're broke apart at the seams
And it's...
"oh oh oh oh oh oh oh-oh-oh" (2x)

You love - you feel
You need - you want
Life gets hard
That's the truth
But you'll pull through
You laugh - you cry
You look for hope
Life gets hard
That's the truth...
"oh oh oh oh oh oh oh-oh-oh"

You'll make it
You'll be fine
Just take your time

You love
You feel
You need
You want
Life get's hard
That's....the truth.

You love - you feel
You need - you want
Life gets hard
That's the truth
But you'll pull through
You laugh - you cry
You look for hope
Life gets hard

That's the truth...

"oh oh oh oh oh oh oh-oh-oh"
