

## Drip Drop

Brian Setzer

Drip drop  
My tears go drippity-drop  
Drip drop  
I don't know why my tears don't stop

The memory of your kisses  
I can't erase  
I try to dry my tears  
But they're running down my face

Drip drop  
My tears go drippity-drop  
Drip drop

Maybe you'll come back soon  
Until that day  
Drip drop  
My tears go drippily-drop

Drip drop  
My tears go drippity-drop

Drip drop  
I don't know why my tears don't stop

The memory of your kisses  
I can't erase  
I try to dry my tears  
But they're running down my face  
Drip drop  
My tears go drippity-drop  
Drip drop

Maybe you'll come back soon  
Until that day  
Drip drop  
My tears go drippily-drop

Drip drop  
My tears go drippily-drop
