

Love Is Here to Stay

Brian Wilson

It's very clear our love is here to stay
Not for a year but ever and a day
The radio and the telephone and the movies that we know
May just be passing fancies and in time may go

But oh, my dear, our love is here to stay
Together we're going a long, long way
In time the Rockies may tumble, Gibraltar may crumble
They're only made of clay
But our love is here to stay

The radio and the telephone and the movies that we know
May just be passing fancies and in time may go

But oh, my dear, our love is here to stay
Together we're going a long, long way
In time the Rockies may tumble, Gibraltar may crumble
They're only made of clay
But our love is here to stay
