

# Runaway Dancer

Brian Wilson

We can't let go  
There's something in the air tonight  
You've got to know  
This time we're bound to get it right

It's the topic of conversation  
With everyone on the street  
Looking over the situation  
Feel the beat

Yeah, it's been the talk of the town  
She's walking 'round everywhere  
Looking for an answer  
Someone caught her fooling around  
Acting like she don't care  
Runaway dancer  
Runnin'  
Runnin'  
Runaway  
Runaway dancer

She doesn't give you an explanation  
Standing out in the rain  
There's a lack of communication  
You can't explain

Yeah, it's been the talk of the town  
She's walking 'round everywhere  
Looking for an answer  
Someone caught her fooling around  
Acting like she don't care  
Runaway dancer  
Runnin'  
Runnin'  
Runaway  
Runaway dancer

She's gotta keep on runnin'  
Runnin' away  
She's gotta keep on runnin'

Yeah, it's been the talk of the town  
She's walking 'round everywhere  
Looking for an answer  
Someone caught her fooling around  
Acting like she don't care  
Runaway dancer

Yeah, it's been the talk of the town  
She's walking 'round everywhere  
Looking for an answer  
Someone caught her fooling around  
Acting like she don't care  
Runaway dancer  
Runnin'  
Runnin'
