

# You've Got a Friend in Me

Brian Wilson

You've got a friend in me  
You've got a friend in me  
When the road looks rough ahead  
And you're miles and miles from your nice warm bed  
Just remember what your old pal said  
You've got a friend in me  
You've got a friend in me

You've got a friend in me  
You've got a friend in me  
You got troubles girl I got 'em too  
There isn't anything I wouldn't do for you  
We stick together, we see it through  
You've got a friend in me  
You've got a friend in me

Some other folks might be a little bit smarter than I am  
Bigger and stronger too  
But none of them  
Will ever love you the way I do  
It's me and you

And as the years go by  
Our friendship will never die  
You're gonna see it's our destiny  
You've got a friend in me, I said  
You've got a friend in me  
You've got a friend in me

You've got a friend in me now  
You've got a friend in me  
You've got a friend in me now  
You've got a friend in me  
You've got a friend in me now  
You've got a friend in me  
You've got a friend in me
