

Never, Never

Brick & Lace

Aw no no no no

You can pop ya collar thinkin you gon get it
Flash me with ya dollar thinkin you gon get it
Keep ya money I got it too, you just don't get it
Show me your A game, you betta come wid it

Cause I be riddin, switchin lanes, crusin real slow
Holdin up the fast lane, puffin on dro
Your lookin like I'm the one that cha wanna get to know
Until you get the green light it's not cha time to go
So ya...

Never never never
Never gon get it
Never never never
Never gon get it
I might think about it if you treat me like a lady
I might think about it
And you just might get it

Cause all you fellas be trippin
Everybody frontin like dey pimpin
Cause I can guarantee you
I can do it better than you
I'm not for fakin or pretendin

I be in the club with my girls layin low
Fellas rubbin all up on me tryna get close
Wantin to unwrap me like a candy
In a store
Until I give the green, goodie bag stays closed, yeah

You can pop your collar thinkin you gon get it
Flash me with ya dolla thinkin you gon get it
Keep your money I got it too, you just don't get it
Show me your A game, you betta come wid it

Never never never
Never gon get it (never)
Never never never
Never gon get it (never)
I might think about it if you treat me like a lady
I might think about it
And you just might get it

Keep up, if your going slow then ya better speed up
If ya get the chance then don't freeze up
Pump with it babe you know you got to bring it
Can ya swing it
Can ya dig it
If you can't, ease up

You can pop ya collar thinkin you gon get it
Flash me with ya dollar thinkin you gon get it
Keep ya money I got it too, you just don't get it
Show me your A game, you betta come wid it

Never never never
Never gon get it (never)
Never never never
Never gon get it (never)
I might think about it if you treat me like a lady
I might think about it
And you just might get it
