

You got so much on your plate
You got so much to be proud of
And we all know your name
Yet you live in a shroud of secrecy

And I know its just pretend out here on my own
But I built this place myself and I'll keep it...
And I know they're better men out there on their own
But I built this place myself and I'll keep it...
A keep it.....keep it...

And I know they're better men out there on their own
But I hope you ask yourself was it worth it?
And I know its just pretend out here all alone
But I gotta ask myself was it worth it?
I'm not sure.....I'm not sure.....I'm not sure.....

LEARN TO LET GO SO YOUR HEART DON'T GOTTA
LEARN TO LET GO SO YOUR HEART DON'T GOTTA
LEARN TO LET GO SO YOUR HEART DON'T GOTTA
LEARN TO LET GO SO YOUR HEART DON'T GOTTA

Days are long, and life looks bleak
I trade soul for white gold
These days are long and life looks bleak
I trade soul for white gold these days
For white gold..... for fools gold

I know its just pretend I'm out here on my own
But I gotta ask myself was it worth it?
For White Gold
For White Gold
For White Gold
