

Bangs

Brick+Mortar

Walk like a ghost
Let your feet off the ground
Heart needs sound
Sound needs love, love needs you

I know I'm never gonna make it anyway
I think I'm gonna make it anyway
I know but really I just don't care
I think I'm gonna make it anyway
I know the things that I just can't say
I think I'm gonna say 'em anyway
I know I think I've finally found my way
I think I'm gonna make it today

I think I'm gonna make it anyway

Ready or not, that's your name, use it now
Please come back around
Sound needs love, love needs you

I know I'm never gonna make it anyway
I think I'm gonna make it anyway
I know but really I just don't care
I think I'm gonna make it anyway
I know the things that I just can't say
I think I'm gonna say 'em anyway
I know I think I've finally found my way
I think I'm gonna make it today

I think I'm gonna make it anyway

I know that you won but I will
So shut up, just forget about it
I know but really I just don't care
So why you gotta fret about it
I know that you don't think I
Quit it, just forget about it
I know I think I've finally found my way
I think I'm gonna make it today
I think I'm gonna make it anyway

Walk like a ghost
Let your feet off the ground
Heart needs sound
Sound needs love, love needs you

Ready or not, that's your name, use it now
Please come back around
Sound needs love, love needs you

I know I'm never gonna make it anyway
I think I'm gonna make it anyway
I know but really I just don't care
I think I'm gonna make it anyway
I know the things that I just can't say
I think I'm gonna say 'em anyway
I know I think I've finally found my way

I think I'm gonna make it today
