

Friends

Brick+Mortar

'Cause you ain't my friend and I ain't your friend
And you ain't my friend and I ain't your friend
And I will never tell you 'cause I...

I guess, I guess I don't know
I guess I don't speak that particular language
Who cares about the money I owe
I guess I don't know

And I will never tell you where I been to
No I could never tell you what I been through
But I can tell you that there's no sense in knowin'
Tell you that's there's no sense in goin'

'Cause you ain't my friend and I ain't your friend
(Friend and I ain't your friend and you ain't my)
'Cause you ain't my friend and I ain't your friend
(Friend and I ain't your friend and you ain't my)

I got a hole in my head
I learned to drop dead in the heat of the moment
I got another body to burn but still I don't learn

And I will never tell you what I been through
No could never tell you where I been to
But I can tell you that there's no sense in knowin'
Tell you that there's no sense in goin'

Cause you ain't my friend and I ain't your friend
(Friend and I ain't your friend and you ain't my)
Cause you ain't my friend and I ain't your friend
(Friend and I ain't your friend and you ain't my)

I'm the devil and the saint
And I've always been the same
My hands reach so far and wide
That there ain't nowhere to hide
'Cause I'm the...

Big business
We got you drowning
In an overcrowded swimming pool
Laced with acid
There's one way out
It's your last five bucks, man
So reach in your pocket
And pay for Jesus

'Cause you ain't my friend and I ain't your friend
And you ain't my friend and I ain't your friend
And I will never tell you cause I...

I got a hole in my head
I learned to drop dead in the heat of the moment
I got a lot a bodies to burn but still I don't learn
And I will never tell you cause I...
Ain't your friend

And you ain't my friend and I ain't your friend and you ain't my friend
And I will never tell you cause I...
Ain't your friend and you ain't my friend
'Cause you ain't my friend and I ain't your friend...
