

Original Sin

Brick+Mortar

Original sin
Turn into dust
The words of a snake
Taking the bait
Or taking a bite
And losing your youth
Losing the rush
The rush of the truth

There's something about you
'Cause you're always right on time
There's something about you, alright
There's something about you, alright
There's something about you, alright
There's something about you, alright
Me oh my oh now I'm feeling psycho
I have got my eye on everything
I go crazy feeling like maybe
Maybe I should just run far away

Alright
There's something about you
There's something about you, alright
There's something about you, alright
There's something about you, alright
There's something about you, alright
'Cause you're always right on time

Do I have a soul?
I hope so
I'm ready to know
So are you ready to go?

Original sin
Turn into dust
The words of a snake
Taking the bait
Or taking a bite
And losing your youth
Losing the rush

Alright
There's something about you, alright
There's something about you, alright
There's something about you, alright
'Cause you're always right on time
