Well I stand up next to a mountain
Well I pick up all the pieces, maybe even make, maybe make a li

Well I pick up all the pieces, maybe even make, maybe make a li
ttle sense
Well I stand up next to a mountain and I chop it down with the
edge of my hand
Well I stand up next to a mountain and I chop it down with the
edge of my hand

Lord knows I'm a voodoo child
Cause I'm a voodoo child
Lord knows I'm a voodoo child
Cause I'm a voodoo child
Lord knows I'm a voodoo child
Yeah

Cause I'm a voodoo child
Lord knows I'm a voodoo child

Cause I'm a voodoo child
Lord knows I'm a voodoo child

Cause I'm a voodoo child
Lord knows I'm a voodoo child

Cause I'm a voodoo child
Lord knows I'm a voodoo child
