

## I Love You

Bride

If I were a ship on the ocean would you throw me a sail  
If I were locked away in a prison would you pay my bail  
If I were thirsty in the desert would you give me a drink  
Naked on the scorching street would you walk right over me

I love you  
I love you  
I love you  
I love you

If I had no place to sleep would you give me your bed  
If I were a stranger in a strange land would you leave me for dead  
If I was nailed to a cross would you scream save yourself  
If I became the curse would you remove the nails

I love you  
I love you  
I love you  
I love you

To the least of these you done to me  
To the least of these  
To the least of these you done to me  
To the least of these

If I live in a glass house would you throw me a stone  
If I asked for only meat would you give me the bone  
If I asked for a fish would you hand me a snake  
If I begged for a single egg would you say just live by faith

I love you  
I love you  
I love you  
I love you

I love you  
I love you  
I love you
