

Pipe Dreams

Bridget Kelly

Something told me not to play with you
Trouble always follows when I do
You keep on pressing up on me, feels right
[?] put it on me tonight
Pull my dress on up over my head
Spread me smooth like butter on your bed

You gon' see if you been on top
I ain't scrolling through my call log
Baby you the one I want now
Is you playing, is you playing, is you coming or not?
Hurry up the door is unlocked
I can't wait to take your clothes off
Green light baby don't stop
I'm just saying, I'm just saying, I'm just saying

You done fucked around and sold me pipe dream, yeah, yeah
This ain't gotta be a one time thing, yeah, yeah
Sold me a pipe dream, yeah, yeah
Nothing is better than waking me
And putting me right back to sleep

Ooh-ooh, uh, yeah, yeah, yeah
Ooh-ooh, yeah, yeah, yeah, yeah
Ooh-ooh, uh, yeah, yeah, yeah
Ooh-ooh, ooh, yeah, yeah, yeah

Ooh, ah
Ooh yeah, ah
Yeah, yeah, yeah, ah
Craving all damn day and the night, ah, oh

Laid in my bed and my body's for the taking
It's about to be amazing
Spoil me like a special occasion

Swear I got it real bad for you
Swear I let you eat the cake and let you have it too
So swing, batter, batter, swing, batter, batter, swing
Love it when you make me sick

Ever since that moment you kissed me
I couldn't wait to feel you inside me

You done fucked around and sold me pipe dream, yeah, yeah
This ain't gotta be a one time thing, yeah, yeah
Sold me a pipe dream, yeah, yeah
Nothing is better than waking me
Putting me right back to sleep

Ooh-ooh, uh, yeah, yeah, yeah
Ooh-ooh, yeah, yeah, yeah, yeah
Ooh-ooh, uh, yeah, yeah, yeah
Ooh-ooh, ooh, yeah, yeah, yeah

You done fucked around and sold me pipe dream, no, no

Ooh-ooh, uh, yeah, yeah, yeah
Ooh-ooh, yeah, yeah, yeah, yeah
Ooh-ooh, uh, yeah, yeah, yeah
Ooh-ooh, ooh, yeah, yeah, yeah
