

# Atlantis

Bridgit Mendler

Deep underwater  
Is where I left my love  
Clean at the surface  
Shallow to the touch  
Nothing left  
He's a wreck  
Buried deep in the sand  
Now I don't feel a thing  
When I'm holding his hand  
And I'm asking myself  
Will I sh-sh-sh-sh shiver again

Oh, I know how to feel  
I know that love exists  
It's asleep with the fishes  
Down in Atlantis  
Oh my Lord, where's my soul  
How did we end up like this  
Fast asleep with the fishes  
Down in Atlantis

Dig a little deeper  
Baby hold your breath  
Take a seat at the counter  
Just give it a chance  
Every bro  
In the building  
With his back to the wall  
Not for me, be discreet  
I should try not to yawn  
I shut em' down, shut em' down  
Like a sniper on call

Oh, I know how to feel  
I know that love exists  
But it's asleep with the fishes  
Down in Atlantis  
Oh my Lord, where's my soul  
How did we end up like this  
Fast asleep with the fishes  
Down in Atlantis

Hey, hey  
I know sometimes we lose sight of hope  
I know that you don't falter often and when you do, you grow  
I know that life can have you lost like your compass broke  
A ship adrift at sea, oh me just tryna be your rope... oh  
And I don't think they really know the rest of it  
Everyday is Friday, so your calendar irrelevant  
Photobombing planets, never planned to take a better pic  
Knocking on Atlantis doors, I'm surprised they let us in, let us in  
I can see you working on your patience  
Working on your nerves, need a better occupation  
You just say the word and then we right back to the basics, yeah  
When you out here ballin', guess you bound to catch a flagrant  
I'm just tryna wild out with the fam  
We came from the bottom, I don't think you understand

House up in the sky, I guess that always was the plan  
You was flying with me, I think I forgot to land

Oh, I know how to feel  
I know that love exists  
But it's asleep with the fishes  
Down in Atlantis  
Oh my lord, where's my soul  
How did we end up like this  
Fast asleep with the fishes  
Down in Atlantis
