

# Somebody

Bridgit Mendler

Can you see me?  
'Cause I'm right here  
Can you listen?  
'Cause I've been trying to make you notice  
What it would mean to me  
To feel like somebody  
We've been on our way to nowhere  
Tryin' so hard to get there

And I say, oh  
We're gonna let it show  
We're gonna just let go of everything  
Holding back our dreams  
And try to make it come alive  
Come on let it shine so they can see  
We were meant to be  
Somebody (somebody)  
Somebody, yeah (somebody)  
Somehow  
Someday  
Someway  
Somebody

I'm so tired  
Of being invisible  
But I feel it, yeah  
Like a fire below the surface  
Trying to set me free  
Burnin' inside of me  
'Cause we're standing on the edge now  
It's a long way down

But I say  
Oh, we're gonna let it show  
We're gonna just let go of everything  
Holding back our dreams  
And try to make it come alive  
Come on let it shine so they can see  
We were meant to be  
Somebody (somebody)  
Somebody, yeah (somebody)  
Somehow  
Someday  
Someway  
Somebody

We will walk out of this darkness  
Feel the spotlight glowing like a yellow sun  
Oh oh oh oh oh and when we fall we fall together  
Till we get back up and we will rise as one, oh, oh ,oh

Oh, we're gonna let it show  
We're gonna just let go of everything  
Holding back our dreams  
And try to make it come alive  
Come on let it shine so they can see  
We were meant to be

Somebody (somebody)  
Somebody, yeah (somebody)  
Somehow  
Someday  
Someway  
Somebody  
Somebody  
Ooh ohh oh
