

People never change

Brigada

It's so easy to be blind,
but it's so hard to open eyes
people never never change,
they will be still stupid as they are

people never change
les gents ne changet pas
ľudia sa nemenia
lidé se nemění

black or white,
green or red,
you or me,
punk or skinhead

We're all in the same shit,
we're all on the same ship.
