Brisco

Brisco
J Martin, I need your help on this my brother
She hot, Yeah!

I was sending special invitations
So aunt nobody feel right at home
Baby you want a kiss, my body don't want a kiss
My body, baby I can't wait for us to get alone
Boy you got me like
Sweat is so said and done
You ain't even gotta go home
Cause baby you wanna a kiss, my body don't want to miss
My body, grab my body
Boy you got me like

You see it started with a kiss, then it finished with a tune
Now I'm head downtown, and I ain't stopped til she done
(I mean shawty) And I should get your minds up out of the gutter
Understand we both be creeping, shorty like my undercover
And we be undercover, we got a lil thang
They say opposites and tracks, she give me joy I give her fame
No worries, no clothes
No place where we gonna miss, from the head to the toe

My baby like the tattooed off the ramp, passive submissions
The kitchen kinda to the floor, sexuality positions
P&B's definition, mama lemme eat you attention
They say you need some attention, let me give your body licking
Your body's calling-calling, tell me what you young for
Quit stalling-stalling, I'ma bout to break the law
Your body I just can't ignore, I'ma have you wanting more
Cuffing's what you looking for, you can go and hit the door

I was sending special invitations
So aunt nobody feel right at home
Baby you want a kiss, my body don't want a kiss
My body, baby I can't wait for us to get alone
Boy you got me like
Sweat is so said and done
You ain't even gotta go home
Cause baby you wanna a kiss, my body don't want to miss
My body, grab my body
Boy you got me like

Freaky attentions, did I mention handcuffs
You're under arrest, I want you with your hands up
Now lemme frisk ya, and check for any weapons
Your body be so fragile, at all times you need protection
I could seal Smith and Weston, with a long ass nose
Just keep it real with ya boy, and I won't see these other hoes
I ain't going home, how bout I take a chance
Let's pretend you be my girl, and I'll pretend I be your man

Now I done finish with my song, let's get it
You wonder have your boy so sprung, in a minute
My temperature is rising, your grind max is grinding
Ain't no needin fighting, your feelings that you hiding

Bout to hit the goal, let's keep it on the low
And if your man alter, you don't even wanna know
Cause if he only knew that this chick with the crew, with this dude
I probably have to shake that fool, but baby it's cool

I was sending special invitations
So aunt nobody feel right at home
Baby you want a kiss, my body don't want a kiss
My body, baby I can't wait for us to get alone
Boy you got me like
Sweat is so said and done
You ain't even gotta go home
Cause baby you wanna a kiss, my body don't want to miss
My body, grab my body
Boy you got me like

Yeah! Girl you are so ex-rated
And if I catch you slipping, I'ma get that ass faded
See if you man's a square, I can be that boy's replacement
I'ma Poe boy aim it, don't fake it, just face it
Get used to being famous ohh

Lay back shawty, we can make a couple movies
If you feel it, we can hop in a Jacuzzi
No worries mama, I can tell you ain't no phooey
Justify the way you ride, it's got me going silly

Hey! She know I like it wet, wet, wet
I'ma give her ass the best, best, best
Sex riddle let's sweat, sweat, sweat
She ride it like a cor vette, vette, vette
With her palms on my chest, chest, chest
Switch positions woah mix, mix, mix
And she'll never for get, get, get
This room this room, this goon this goon
You invited

I was sending special invitations
