

The Kids

Briston Maroney

Stay inside, but my doors don't lock
Maybe it's a sign we should take a walk
Down to the market or a coffee shop
Lips sealed tight 'cause money talks
Don't have a dollar, but I got no fear
Everyone I love is standin' here
Back on the road when the coast is clear
Laughin' 'til the day just disappear

'Cause it's all for one and one for all
Together we rise, together we fall
All for one and one for all
'Cause other than lovin', there's nothin' that matters at all

Oh, holy Moses, it's a beautiful sight
Oklahoma City on a Friday night
Laughin' 'til the hours hit the mornin' light
When did everything start to feel alright?
Alright, I won't ask what I don't wanna know
Laugh at your smile through a cloud of smoke
Backs on the grass when we let it go
All that I've got is all I've got to show

And it's all for one and one for all
Together we rise, together we fall
All for one and one for all
'Cause other than lovin', there's nothin' that matters at all

Ah
Oh
Oh
Oh
Oh

'Cause it's all for one and one for all
Together we rise, together we fall
All for one and one for all
Together we rise, together we fall
All for one and one for all
Together we rise, together we fall
All for one and one for all
'Cause other than lovin', there's nothin' that matters at all
