British India

Ohh!

It's coming like an avalanche, coming like an avalanche  
A station all in german, a language that i can't understand  
But if you asked me i would not say no  
And if you asked me i would not say no  
And every little thing you do and say  
It breaks me up, how close we came that day  
It's coming like an avalanche  
Coming like an avalanche  
I won't be around all the time  
Its coming like an avalanche  
Coming like avalanche  
Super glued right to your side  
And once we started we just couldn't stop  
And once we started we just couldn't stop  
Its coming like an avalanche  
Coming like an avalanche  
I won't be around all the time  
Its coming like an avalanche  
Coming like an avalanche  
Super glued right to your side  
Its coming like an avalanche  
Coming like an avalanche  
I won't be around all the time  
Its coming like an avalanche  
Coming like an avalanche  
Super glued right to your side, yeah!  
The walls are coming down  
The walls are coming down  
The walls are coming down  
The walls are coming down, down, down  
The walls are coming down
