

# Suddenly

British India

And just let the ever end  
And in the nothing start again  
I know that it sounds stupid  
I know it isn't what you're used to  
Suddenly we're all alone  
And through the blinds the light of dawn  
It feels like this is something  
It feels like this is something I don't know

You turned it into right now  
You turned those seconds into hours  
You turned round and find out that the world's gone

Suddenly it's happened to me  
Shut down, struggling to breathe  
The most beautiful thing I've ever seen  
Suddenly it's happened to me  
Oh, oh

And flying out on my own  
And I won't find out for so long  
I swear I'm gonna find you  
It feels like I'm one step behind you  
And just let the ever end  
And in the nothing start again  
It's absolutely perfect  
It's gonna make everything worth it

You turned it into right now  
You turned those seconds into hours  
You turned round and find out that the world's gone

Suddenly it's happened to me  
You're shut down, struggling to breathe  
The most beautiful thing I've ever seen  
Suddenly it's happened to me  
Oh, oh

Oh, Oh  
Oh

Suddenly it's happened to me  
You're shut down, struggling to breathe  
The most beautiful thing I've ever seen  
Suddenly it's happened to me  
Oh, oh, oh

Oh, oh  
Oh, oh  
Oh
