Apologies to Insect Life

British Sea Power

Oh Fyodor you are the most attractive man
Oh Fyodor you are the most attractive man I know,
Your Russian heart is strong and has been bleeding for too long
Oh my Lassie, it's like bad acid
It's getting nasty, she knows

Gymnastic-whores -down-on -all-fours -with- septicpores -and -fucked-upbores-I- would-like -to-give -you-more- molasses

Oh Molasses, its like bad acid
It's getting nasty, she knows

She knows

Apologies to insect life, what I did was not very nice (Remaining words incomprehensible for now.....)
