

Hail Holy Queen

British Sea Power

I'm at your feet
I'm at your command
Hail holy queen of the sea

You're whirling in rags
You're vast and you're sad
Hail holy queen of the sea

I'm at your feet
I'm at your command
Hail holy queen of the sea

The terrified stillness
You know what I mean
Hail holy queen of the sea

The sweet annihilation
Of all you need
Hail holy queen of the sea

I'm at your feet
I'm at your command
Hail holy queen of the sea
