I Ain't Runnin' Away

Britney Spears

Baby, please, don't say it's over
We haven't even begun, uh
Yes, I know we've had some hard times
But I'm still holding your hand

If you believe, then we can make it
You know damn well that we can
Oh no, this is our love
We're gonna save it
I'm gonna stand by my man

Ain't gonna run, run, run, run, run, run
Ain't gonna run, run, run, run, run, run
I ain't running away
'Cause when life gets tough, you can't walk out
You've gotta show 'em what true love's about
I'm gonna make you stay

Baby, please, don't say it's over
We haven't even begun, uh
Yes, I know we've had some hard times
But I'm still holding your hand

If you believe, then we can make it
You know damn well that we can
Oh no, this is our love
We're gonna save it
I'm gonna stand by my man

Ain't gonna run, run, run, run, run, run
Ain't gonna run, run, run, run, run, run
I ain't running away
'Cause when life gets tough, you can't walk out
You've gotta show 'em what true love's about
I'm gonna make you stay
Ain't gonna run, run, run, run, run, run
Ain't gonna run, run, run, run, run, run
I ain't running away
'Cause when life gets tough, you can't walk out
You've gotta show 'em what true love's about
I'm gonna make you stay

Ooh
'Cause when life gets tough, you can't walk out
You've gotta show 'em what true love's about
I'm gonna make you stay

Ain't gonna run, run, run, run, run, run
Ain't gonna run, run, run, run, run, run
I ain't running away
'Cause when life gets tough, you can't walk out
You've gotta show 'em what true love's about
I'm gonna make you stay
Ain't gonna run, run, run, run, run, run
Ain't gonna run, run, run, run, run, run
I ain't running away
'Cause when life gets tough, you can't walk out

You've gotta show 'em what true love's about
I'm gonna make you stay
Ain't gonna run, run, run, run, run, run
Ain't gonna run, run, run, run, run, run
I ain't running away
'Cause when life gets tough, you can't walk out
You've gotta show 'em what true love's about
I'm gonna make you stay

(Ain't gonna run, run, run, run, run, run)
(Ain't gonna run, run, run, run, run, run)
(I ain't running away)
('Cause when life gets tough, you can't walk out)
(You gotta show 'em what true love's about)
(Ain't gonna run, run, run, run, run, run)
(Ain't gonna run, run, run, run, run, run)
(Ain't gonna run, run, run, run, run, run)
(Ain't gonna run, run, run, run, run, run)
(I ain't running away)
('Cause when life gets tough, you can't walk out)
(You gotta show 'em what true love's about)
(Ain't gonna run, run, run, run, run, run)
