

# I Will Be There

Britney Spears

Oh yeah

You don't have to say what's on your mind  
'Cause I know where you've been  
Give it up and leave it all behind  
And then let me begin

Come on over here  
Let me show how things should be  
I will make it alright  
Let me make it clear  
You can put your trust in me  
Yes I will be there

When you need someone  
You just turn around  
And I, will be there  
When you're feeling low  
Baby let me know  
And I, will be there

Won't you let me make it up to you  
Now you know where I am  
There ain't nothin that I wouldn't do  
Just to love once again

Come on over here  
Let me show how things should be  
I will make it alright  
Let me make it clear  
You can put your trust in me  
Yes I will be there

When you need someone  
You just turn around  
And I, will be there  
When you're feeling low  
Baby let me know  
And I, will be there

I will be there  
Just take a stand  
I'll be here for you  
Now and forever  
Give one more chance  
To show you how much I care  
I'll be there

When you need someone  
I just turn around  
And I will be there  
When you're in sorrow  
Just let me know and I will be there

When you need someone  
You just turn around  
And I, will be there

When you're feeling low  
Baby let me know  
And I, will be there
