

# Liar

Britney Spears

Tall tale, such a damn shame  
Hindsight, I can see it all so plain  
Kamikaze fire come down  
Fire come down, fire-fire come down  
Left, right, nowhere to turn  
I'm left in the ash from the bridges you burned  
Kamikaze fire come down  
Fire come down, fire-fire come down

(Ah) It's too late for apologies  
(Ah) Nothing you can offer me now  
(Ah) I'm looking at you on your knees  
(Ah) And I'm all listened out

Call, call, call  
But I'm never gonna come  
Baby cry, cry, cry  
You ain't fooling anyone  
You know I know that you know I know  
That you're a liar, a liar  
You can crawl, crawl, crawl  
You can beg and you can plead  
Baby talk, talk, talk  
Keep on lying through your teeth  
You know I know that you know I know  
That you're a liar, a liar

I hear you all night talk in your sleep  
Saying all kinda names but none of them me  
Keeping secrets under your sheets  
Under you sheets, under-under your sheets  
You can cry wolf  
But you know I ain't gonna be here tomorrow, oh no  
I ain't fucking with you dirty, dirty, dirty laundry  
Dirty laundry, dirty-dirty laundry

(Ah) It's too late for apologies  
(Ah) Nothing you can offer me now  
(Ah) I'm looking at you on your knees  
(Ah) And I'm all listened out

Call, call, call  
But I'm never gonna come  
Baby cry, cry, cry  
You ain't fooling anyone  
You know I know that you know I know  
That you're a liar, a liar  
You can crawl, crawl, crawl  
You can beg and you can plead  
Baby talk, talk, talk  
Keep on lying through your teeth  
You know I know that you know I know  
That you're a liar, a liar

So here we go  
Wo-wo-wo-wo-wo-wo  
Wo-wo-wo-wo-wo-wo

So here we go  
Wo-wo-wo-wo-wo-wo  
Here we go (You're a liar, liar)

You can call, call, call  
But I'm never gonna come  
Baby cry, cry, cry  
You ain't fooling anyone  
You know I know that you know I know  
That you're a liar, a liar  
You can crawl, crawl, crawl  
You can beg and you can plead  
Baby talk, talk, talk  
Keep on lying through your teeth  
You know I know that you know I know  
That you're a liar, a liar

So here we go  
Wo-wo-wo-wo-wo-wo  
Wo-wo-wo-wo-wo-wo  
Wo-wo-wo-wo-wo-wo  
You're a liar, a liar
