

# Look Who's Talking Now

Britney Spears

Champagne, caviar, hot boys at the bar  
Lookin' at me, yeah they are lookin' at me  
I was true to you, just to find my point of view  
Now you are lookin' at me, yeah you are lookin' at me

They wanna give it to me, they wanna give it to me  
But I wouldn't go for that cuz boy I had your back  
This song is all about me, damn right it's all about me (ya)  
La la la la la la  
La la la la la la

Hey hey hey, so look who's talking now  
That's what this song's about, me (yeah yeah yeah)  
Hey hey hey, think you got me figured out  
But look who's talking now, it's me  
Yeah yeah yeah yeah

Fast cars and bubble baths  
High heels stepping on the gas  
Lookin' at me, yeah they are lookin' at me  
Dreamsicles melt away  
I'm thinking everyday  
Lookin' at me, you're still lookin' at me

I wanna give it to you  
I wanna give it to you  
But I can't go for that cuz boy it's in the past  
This song is all about me, damn right it's all about me (ya)  
La la la la la la  
La la la la la la

Hey hey hey, so look who's talking now  
That's what this song's about, me (yeah yeah yeah)  
Hey hey hey, think you got me figured out  
But look who's talking now, it's me  
Yeah yeah yeah yeah

Controversy is like a tickin' time bomb  
Controversy is what they want  
Please believe that's not what I spend my time on  
Controversy is all they want

Hey hey hey, so look who's talking now  
That's what this song's about, me (yeah yeah yeah)  
Hey hey hey, think you got me figured out  
But look who's talking now, it's me  
Yeah yeah yeah yeah

Hey hey hey, so look who's talking now  
That's what this song's about, me (yeah yeah yeah)  
Hey hey hey, think you got me figured out
